DON'T STRESS ABOUT GDPR

Data protection is important. But does it really have to take so much time, energy, and money to get it right? Shredcat document shredders are a safe choice for maximum security. Simple, reliable, and they don't cost the Earth.

GDPR

A sure thing with Shredcat: ISO/IEC 21964 (DIN 66399) recommends using security level P4 shredders for personal data. Your GDPR data protection hardware – sorted.

BUDGET-FRIENDLY

*Low cost...
not low quality.*

Data protection is expensive? Not for you. The entry-level Shredcat will get its teeth into GDPR – without blowing your budget. Ideal when you're starting out. Great for home offices.

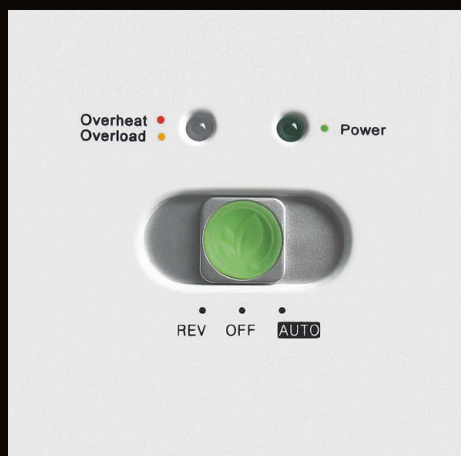

Security level P-4: 4 x 40 mm (particle cut)
Sheet capacity: 8 (DIN A4, 80 g/m²)
Shred bin volume: 20 l
Motor capacity: 140 Watt

Dimensions: H 440 x W 330 x D 195 mm. Weight: 5.5 kg

Our entry-level Shredcat has everything you need: its powerful, quiet motor cuts paper with ease, it's super easy to use, it keeps fingers safe by cleverly turning itself off when you're emptying the shred bin, and even boasts an energy-efficient EcoMode.

KEEPS YOUR DATA SAFE

MULTIFUNCTION SWITCH

AutoEcoMode, on/off, or reverse? You set the rules via switch – and Shredcat will obey.

PRACTICAL SHRED BIN

The window allows you to keep an eye on your shred bin, so you can always empty it in good time.

LET IT SHRED

Stop slaving at the shredder – start chilling at the watercooler. High-performance Shredcat document shredders munch through your old papers, not your day. Reliable, quiet, and secure – ideal for self-employed individuals and small- to medium-sized offices and businesses.

SHREDCAT AUTOFEED

*Just shred
and go*

8280

No more monotonous waiting or standing around. The Shredcat document shredders with autofeed mean you can shred and go. Because you have better things to be getting on with.

- Always hungry for your A4*
- Gobbles up CDs/DVDs and credit cards
- Purrs like a kitten
- Gets its teeth into GDPR

*incl. stapled documents

Shred up to
150
sheets at once

Security level P-4:	4 x 10 mm (particle cut)
Auto mode:	150 (DIN A4, 80 g/m ²)
Sheet capacity:	6 (manual feed)
Shred bin volume:	30 l (shred bin)
Shreds:	Plastic cards / CDs / DVDs (second shred bin)

Dimensions: H 520 x W 444 x D 360 mm. Weight: 14,5 kg

EASY TO USE ... EASY TO RELY ON.

Do you often have to destroy large amounts of paper? And each time, does it bore you silly, making you wish you could just switch off?

Never fear: Shredcat will take care of everything. Just pop in the stack to be shredded, and the quiet, energy-efficient, 200-watt motor will take care of the rest. A secure PIN lock keeps your secrets safe. And you? Time for a coffee break.

Shred up to
350
sheets at once

Security level P-4:	4 x 10 mm (particle cut)
Auto mode:	350 (DIN A4, 80 g/m ²)
Sheet capacity:	6 (manual feed)
